

Dura Series

Dura™ Lightning to USB-A Cable

for Charge + Sync

MFI CERTIFIED CABLE

Patchworks Dura series cable is an Apple's official MFI certified product. It provides a pleasant use experience without having to worry about unstable charging or unable to respond to iOS updates.

Made for

iPod

iPhone

iPad

FULLY COMPATIBLE WITH APPLE IOS

It provides full compatibility for all devices with Lightning terminal for both synchronization and charging, and convenient use anytime, anywhere.

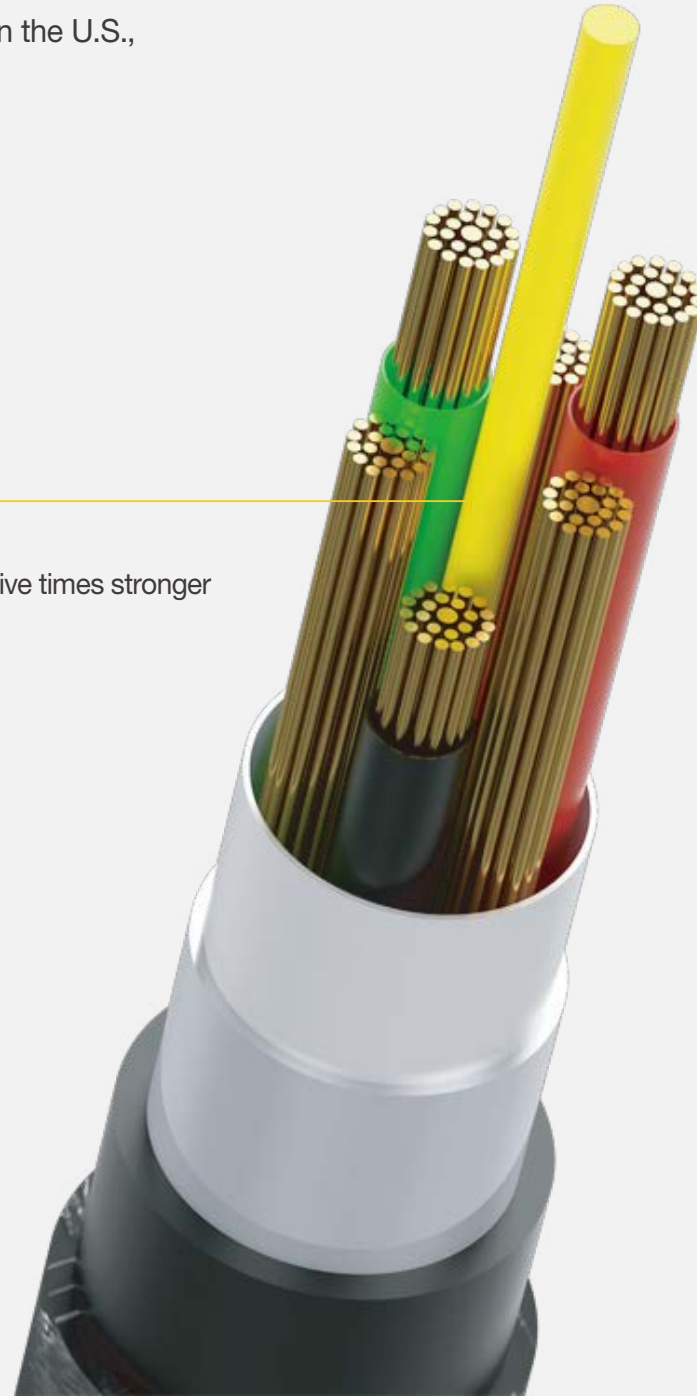

INCOMPARABLE **DURABILITY**

It used Kevlar fiber, a polyamide high strength fiber developed by DuPont in the U.S., to have an excellent durability that is light but durable.

Kevlar.

It is a high strength fiber developed by DuPont in the U.S.
It is made of fiber of the same thickness as steel and it is five times stronger than steel, yet its weight is light as plastic.

DURABILITY UP WITH DURABLE ALUMINUM MATERIAL

Made from an aluminum material that is more durable than the ordinary plastic material cables, which protects the cable for a longer time and adds a more luxurious feel.

PREVENT INTERNAL WIRE BREAK

Over 10,000 times of the swing test performed to prevent internal wire break, which commonly occurs. Also, 4-step flexion process between the terminal to the cable for fast restoration.

DOUBLE-BRAIDED NYLON MATERIAL PREVENTS CABLE TWISTING

Nylon fiber is used to make a double braided nylon to reduce cable entanglement and increase the durability, which provides a durable and unique form.

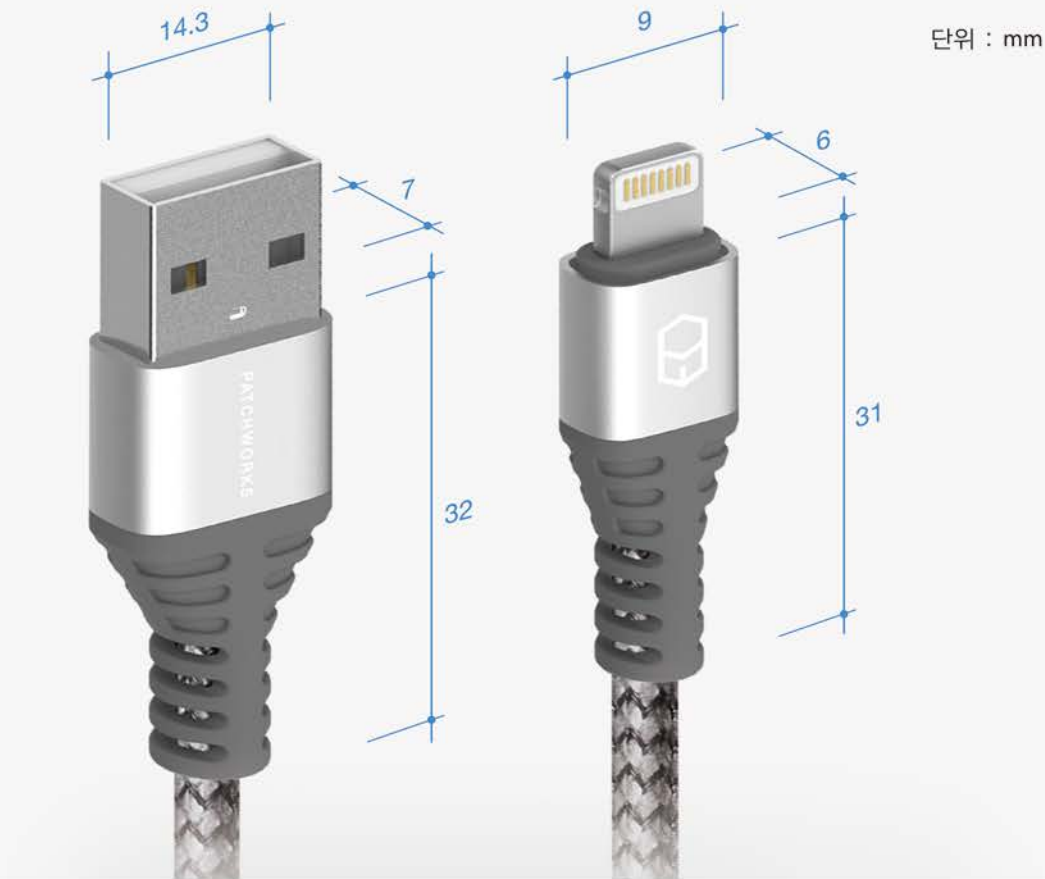

ORGANIZED CABLE LINE

A cable tie is included to organize the cable line neatly.
