iFace for you new AirTag.

First Class
for AirTag

First Class for AirTag

 iFace

PC

Strong material for
scratch prevention.

Hybrid impact protection.

Designed with dual layers for added
protection in your day-to-day life.

TPU

Protects your AirTag from
external impacts.

Sturdy all around.

When life gets busy,
one less thing to worry about.

MIL-STD-810G Test is

passed when the device operates well without any problems after dropped **26 times** at **1.2 meters** height. We pass this kind of tough test and our case perfectly protects the device itself from the unexpected external shocks.

Riding the waves.

Designed for clear signal transmission
and easy pairing with your iPhone / iPad.

Perfect protection in two steps.

Raised edges

for added protection
from scratches.

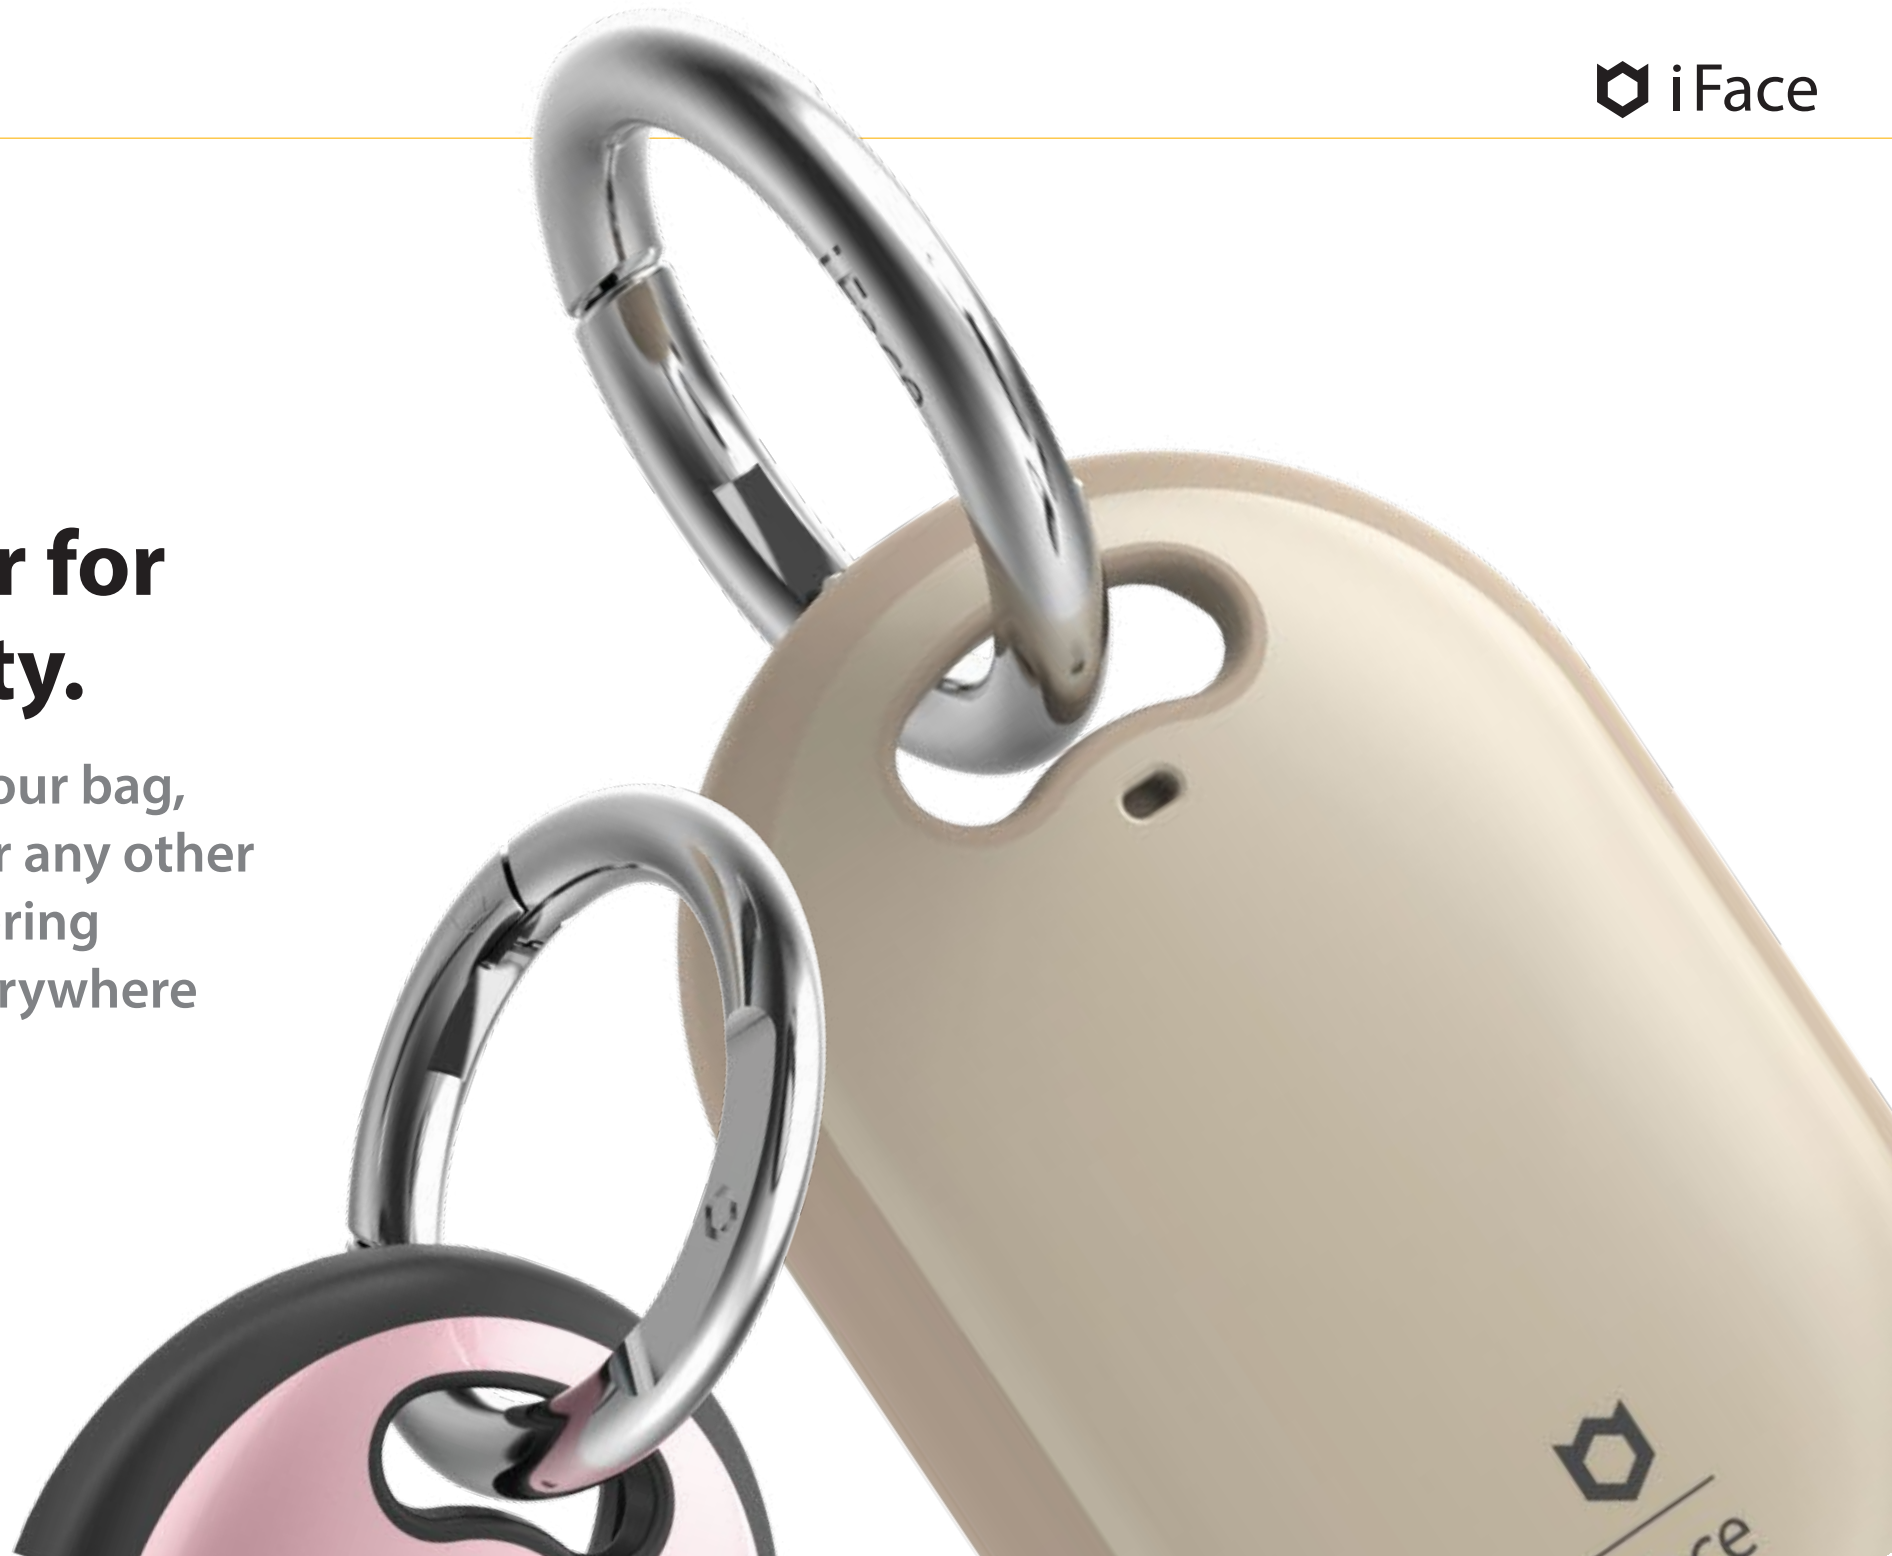

Finger space

for better grip on your
AirTag case.

Carabiner for portability.

Just attach to your bag,
suitcase, keys or any other
valuables and bring
your AirTag everywhere
you go.

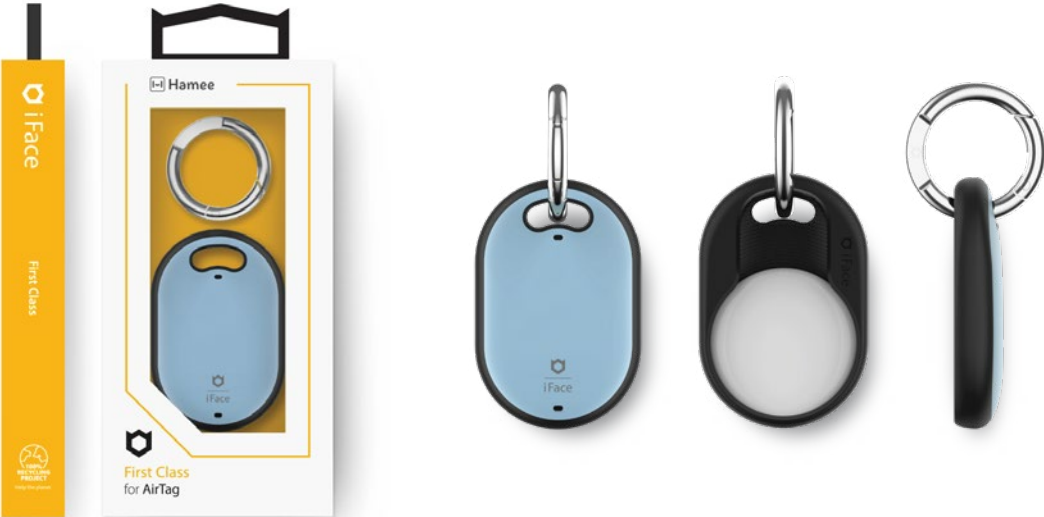

New signature colors.

Rose Gold / White / Black /
Kusumi Blue / Kusumi Green / Cafe Latte
