

Wear the Minimalism.

iFace for you new AirTag.

Reflection
for AirTag

Perfect fit for your AirTag.

Designed with precision
to prevent your device
from slipping and
dust collection.

TPU

Protects your AirTag from
external impacts.

Sturdy all around.

Built to prevent scratches and offer strong impact protection.

MIL-STD-810G Test is

passed when the device operates well without any problems after dropped **26 times** at **1.2 meters** height. We pass this kind of tough test and our case perfectly protects the device itself from the unexpected external shocks.

Riding the waves.

Created with exposed design for clear signal transmission and easy pairing with your iPhone / iPad.

Raised edge.
for added protection
from scratches.

Gaining the edge

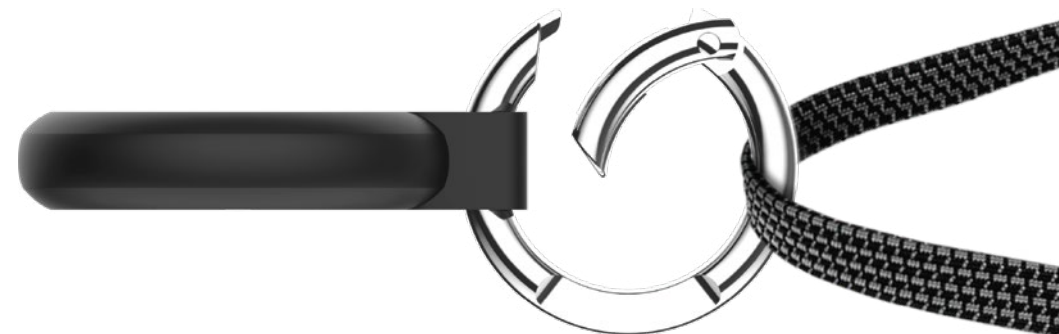

Raised **0.3mm** higher than
your AirTag to protect its surface.

Roaming the world.

Comes with a strong high quality carabiner for portable use by attaching the case to your backpack, suitcase or other valuables.
