

Perfect combination of practicality and design.

Reflection Ring
with Reflection case

Reflection Ring

Perfect combination as if two were one thing.

Let me introduce Reflection Ring,
created same as Reflection Case
from feelings to colors.

Proper sized round neither over-sized nor small-sized.

We thought about the basic performance of key rings and user's usage habit so finally made the perfect design for the convenient use.

22mm Circle diameter

The ring is constructed by 22mm circle diameters. The best convenient use is for inserting your finger into the ring.

Don't worry about scratch and bumping noise.

The silicon materials can remove
your all kinds of worry.

**Lightly like air,
just 2g weight.**

You may not recognize
the ring combined with your phone.
Feel light weight without adding any grams.
