

# Easier and more comfortable.

iFace for your smartphone.

## Smart Ring

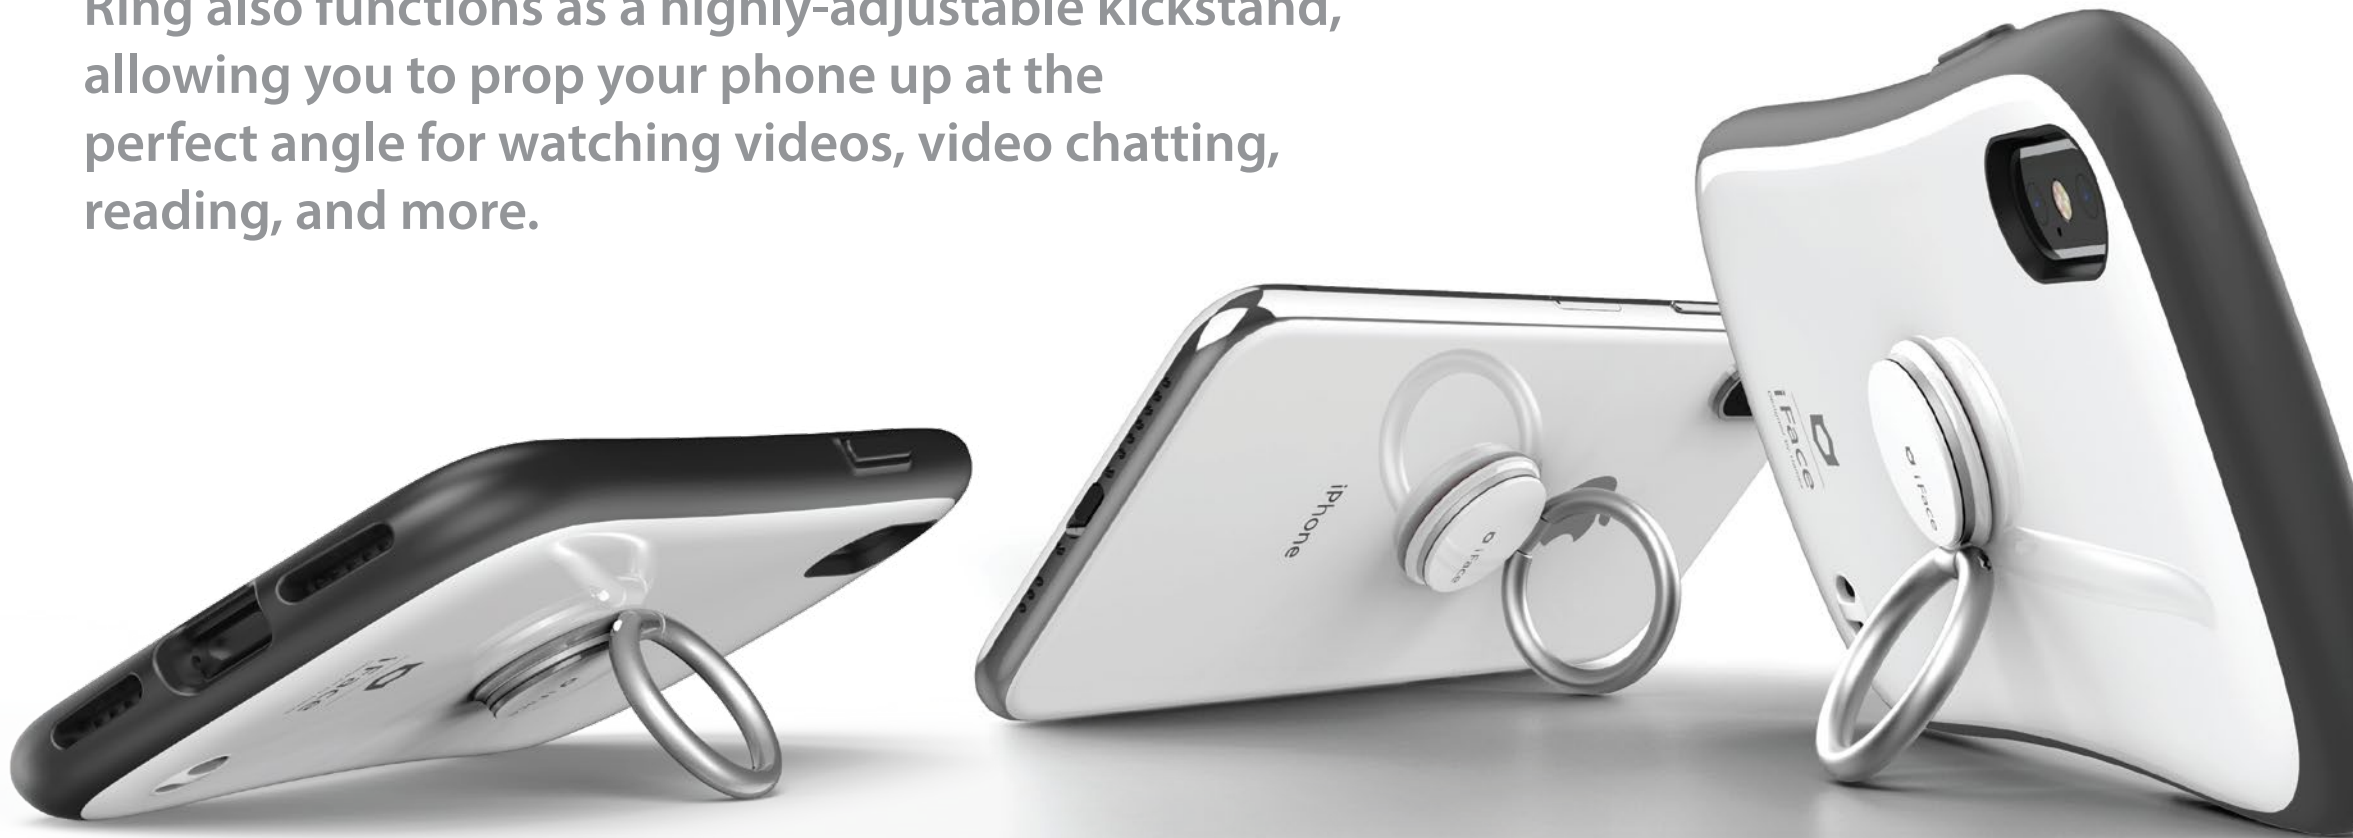

Finger Ring Holder (Skinny Type)

Smart Ring (Inner Circle / Outer Circle)

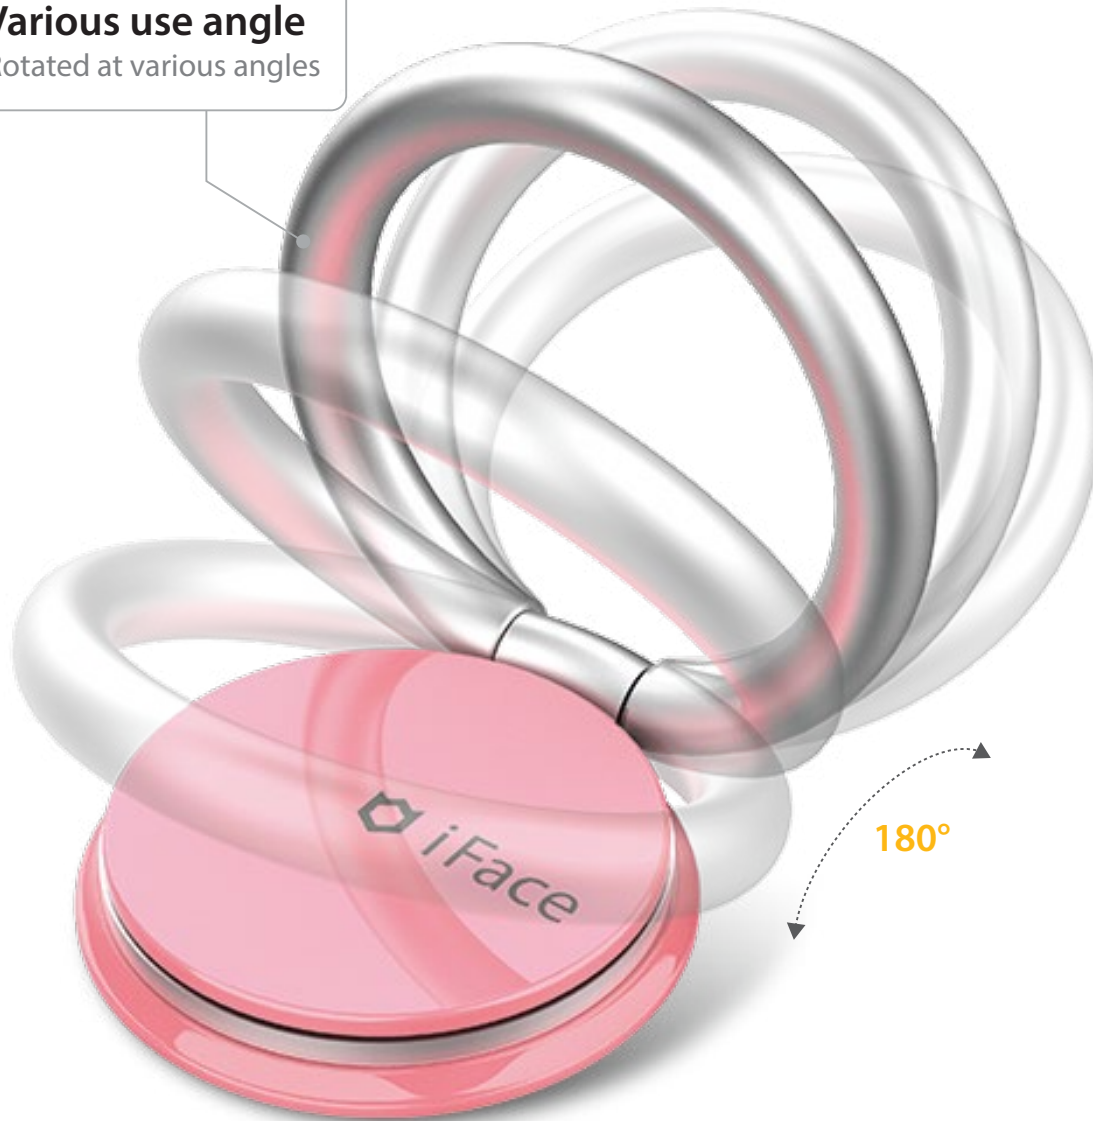

## Highly-adjustable kickstand.

Ring also functions as a highly-adjustable kickstand, allowing you to prop your phone up at the perfect angle for watching videos, video chatting, reading, and more.

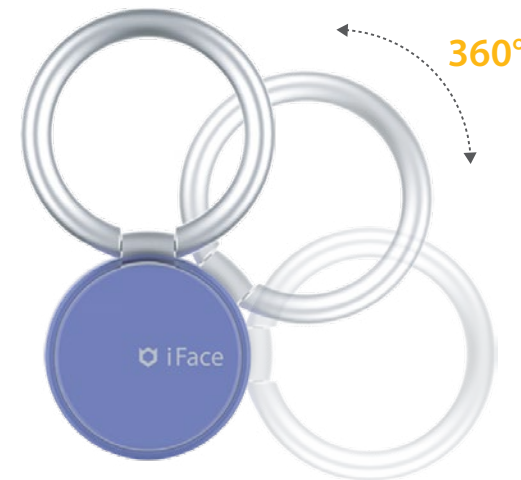

**Various use angle**  
Rotated at various angles

## Adjustable viewing angle.

Rotates 360° around center ring  
moves up or down 180° for  
maximum comfort.

## Freely with One Hand.

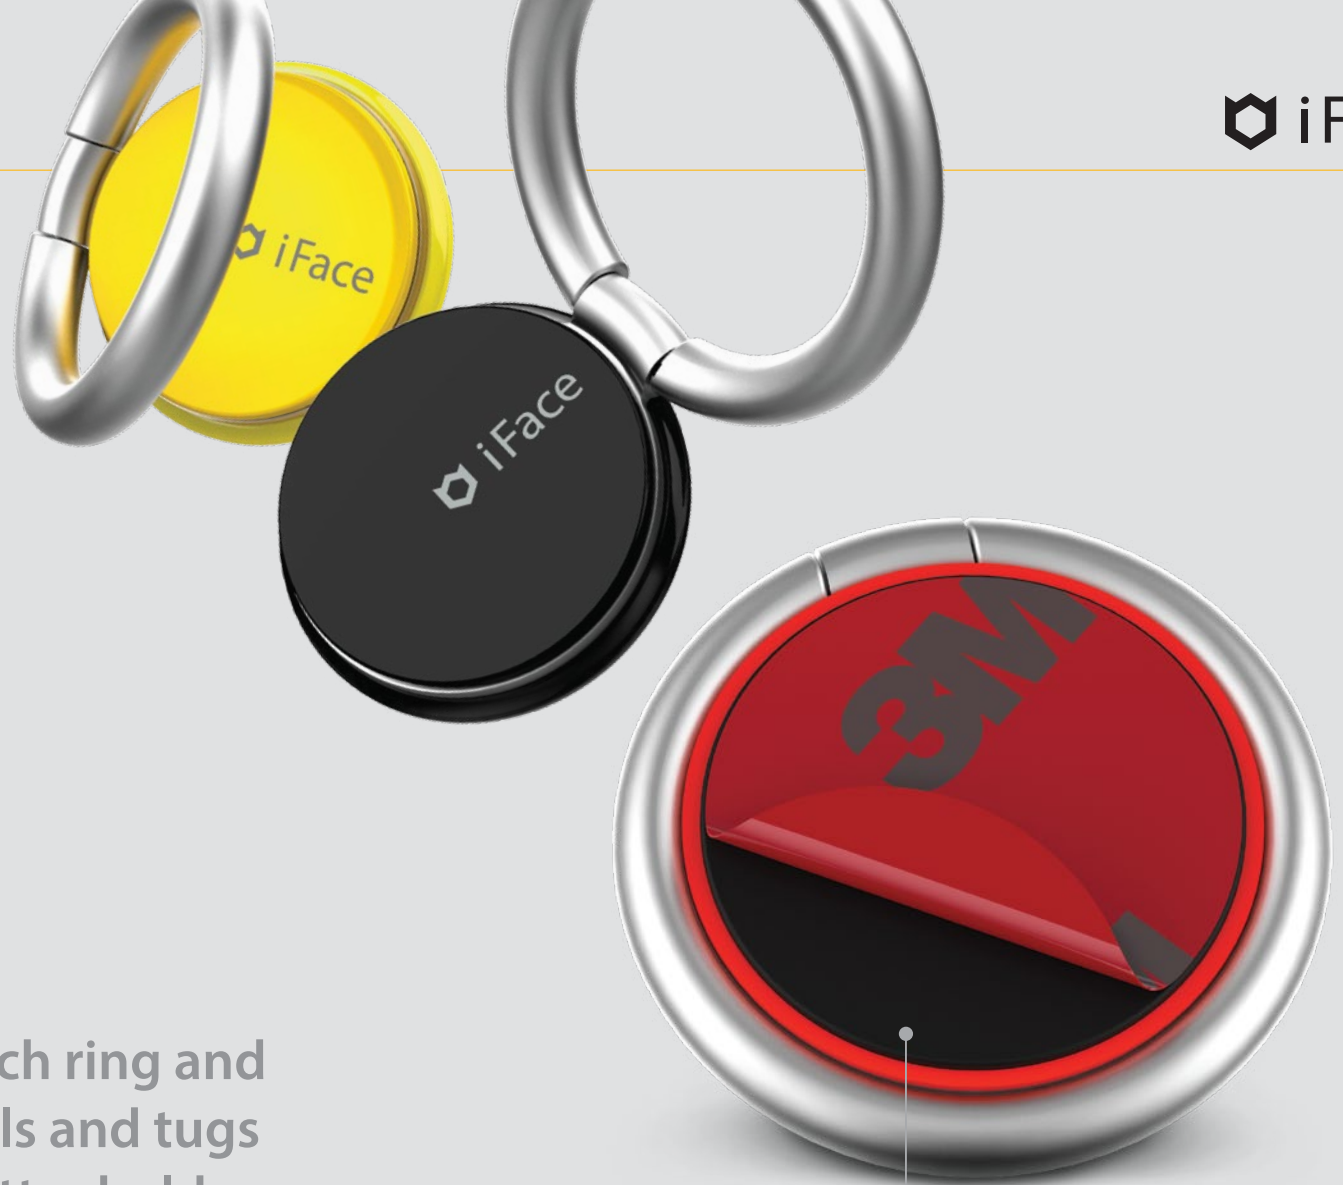

With the iFace fingering holder, you can easily touch parts that were difficult to reach with one hand. For larger smart phones, you can more clearly see the difference.

## Slim Design.

The iFace fingering holder has a slim design compared to the existing ring. The circular ring shape can be removed from the finger more gently than the angled shape.

## Strong, durable adhesive.

Ready-to-use on the back of each ring and stays put through repeated pulls and tugs at any angle, providing a far better hold than rings employing a separate stick-on adhesive pad.

### **Adhesive pad**

Detaches easily when you're ready to remove it, and can be reattached.

# Various colorful design for your smartphone.
