

Be bold, Be brave

iFace for your new iPhone.

First Class

for iPhone

Secure your device in double layer protection

Hexagon Pattern

Designed to withstand weight and pressure in all directions

Gentle Push

Precise design for a soft button feel

TPU

Supreme shock absorption through excellent elasticity

PC

Strong protection from external shock and scratches

No more devastating drops

We've tested our design
over 26 drops from 1.22m high with
no damage or abnormalities.

MIL-STD-810G Test is

passed when the device operates well without any problems after dropped **26 times** at **1.2 meters** height. We pass this kind of tough test and our case perfectly protects the device itself from the unexpected external shocks.

Screen protection

Raised edge around screen shields glass from scratches and impacts

Rear camera protection

Raised bezel protects camera from damage and scratches due to drops or other contact with surfaces

Attention to details

Halogen-free

All iFace products are made with halogen-free* materials so you can use them without any concerns.

***Halogen-free** products are safer, recyclable and environmentally friendly as they do not release harmful toxins in case of a fire or corrosion.

Wireless charging compatible

Easily charge your phone with the case attached and make use of NFC function anytime (like Apple Pay).
