Glaston

for iPhone 12 series

Colorful Rainbow Aurora design.

Special material on the surface make the case can reflect the light around you, the pattern will be different related to the angle and the intensity of the light.

3 times more strong protection and innovative detailed design.

It is constructed for basic function of the protective case so it protects your devices from external shocks with enhanced durability.

Can you imagine?

26 times drop test was performed at a height of 1.2 meters.

MIL-STD-810G Test is

passed when the device operates well without any problems after dropped **26 times** at **1.2 meters** height. We pass this kind of tough test and our case perfectly protects the device itself from the unexpected external shocks.

Non-bubble & Anti-fingerprints.

Built in the iFace's independent tech for non-bubble incurred and anti-fingerprints.

Worry about wireless charging? It's the basic performance.

Charge it as it is without take out the case. NFC function (like Apple Pay) is also possible.

Enjoy to show your individuality.

Atitlan / Retba / Perla Purple / Perla Blue / Perla Pink

Various color options.
