

Forever the basic

Pellucid for Galaxy

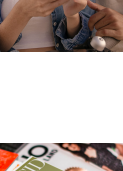

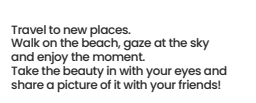

Beauty in simplicity

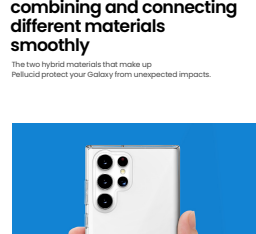

Let your Galaxy colors shine with Pellucid

Show it off

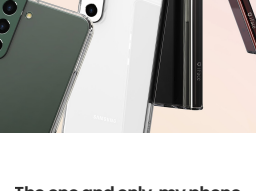

Travel to new places.
Walk on the beach, gaze at the sky
and enjoy the moment.
Take the beauty in with your eyes and
share a picture of it with your friends!

Seamless design combining and connecting different materials smoothly

The two hybrid materials that make up Pellucid protect your Galaxy from unexpected impacts.

No more hiding

Show Galaxy design colors as they are.
Enjoy long-lasting clarity with minimal yellowing

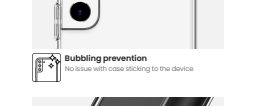

The one and only, my phone

Add personal touches.
Memories you cherish on the back of the case,
colorful stickers, photos, etc.
DIY your one-of-a-kind phone with things you want to keep

Personalized

It's too basic

Secure edge design
Designed to prevent scratches if screen or camera hits the ground

Bubbling prevention
No issue with case sticking to the device

Gentle push
Precise design for a soft button feel

Wireless charging
Wireless charging and NFC compatible (for contactless payments)

by your side.
