

Truly be yourself

Real Glass Hybrid

Reflection
for Galaxy

Find your identity

Reflection reveals the original gorgeous Galaxy design with a transparent back panel. We added signature elegant iFace curves to make the original even more unique.

Gentle Push

Precise design for a soft button feel

Honeycomb Pattern

Sophisticated design to absorb shock and with stand pressure

Air Pocket

For impact energy dispersion of the edge

Detailed design for extreme protection with durability

Glass

9H hardness tempered glass

TPU

Supreme shock absorption through excellent elasticity

No more devastating drops

We've tested our design over 26 drops from 1.22m high with no damage or abnormalities.

MIL-STD-810G Test is

passed when the device operates well without any problems after dropped 26 times at 1.2 meters height. We pass this kind of tough test and our case perfectly protects the device itself from the unexpected external shocks.

9H hardness tempered glass base

High durability tempered glass back helps minimize scratches and external shocks from daily use.

Tempered Glass

Prevent bubbles and minimize fingerprints on the case

Shatter-resistant

Special treatment helps minimize shards of glass spreading in case of breakage.

Normal tempered glass

iFace Reflection
with shatter-resistant treatment

Attention to details

Designed to prevent scratches if screen or camera hits the ground.
