for a soft button feel

Hexagon Pattern

Designed to withstand
weight and pressure
in all directions

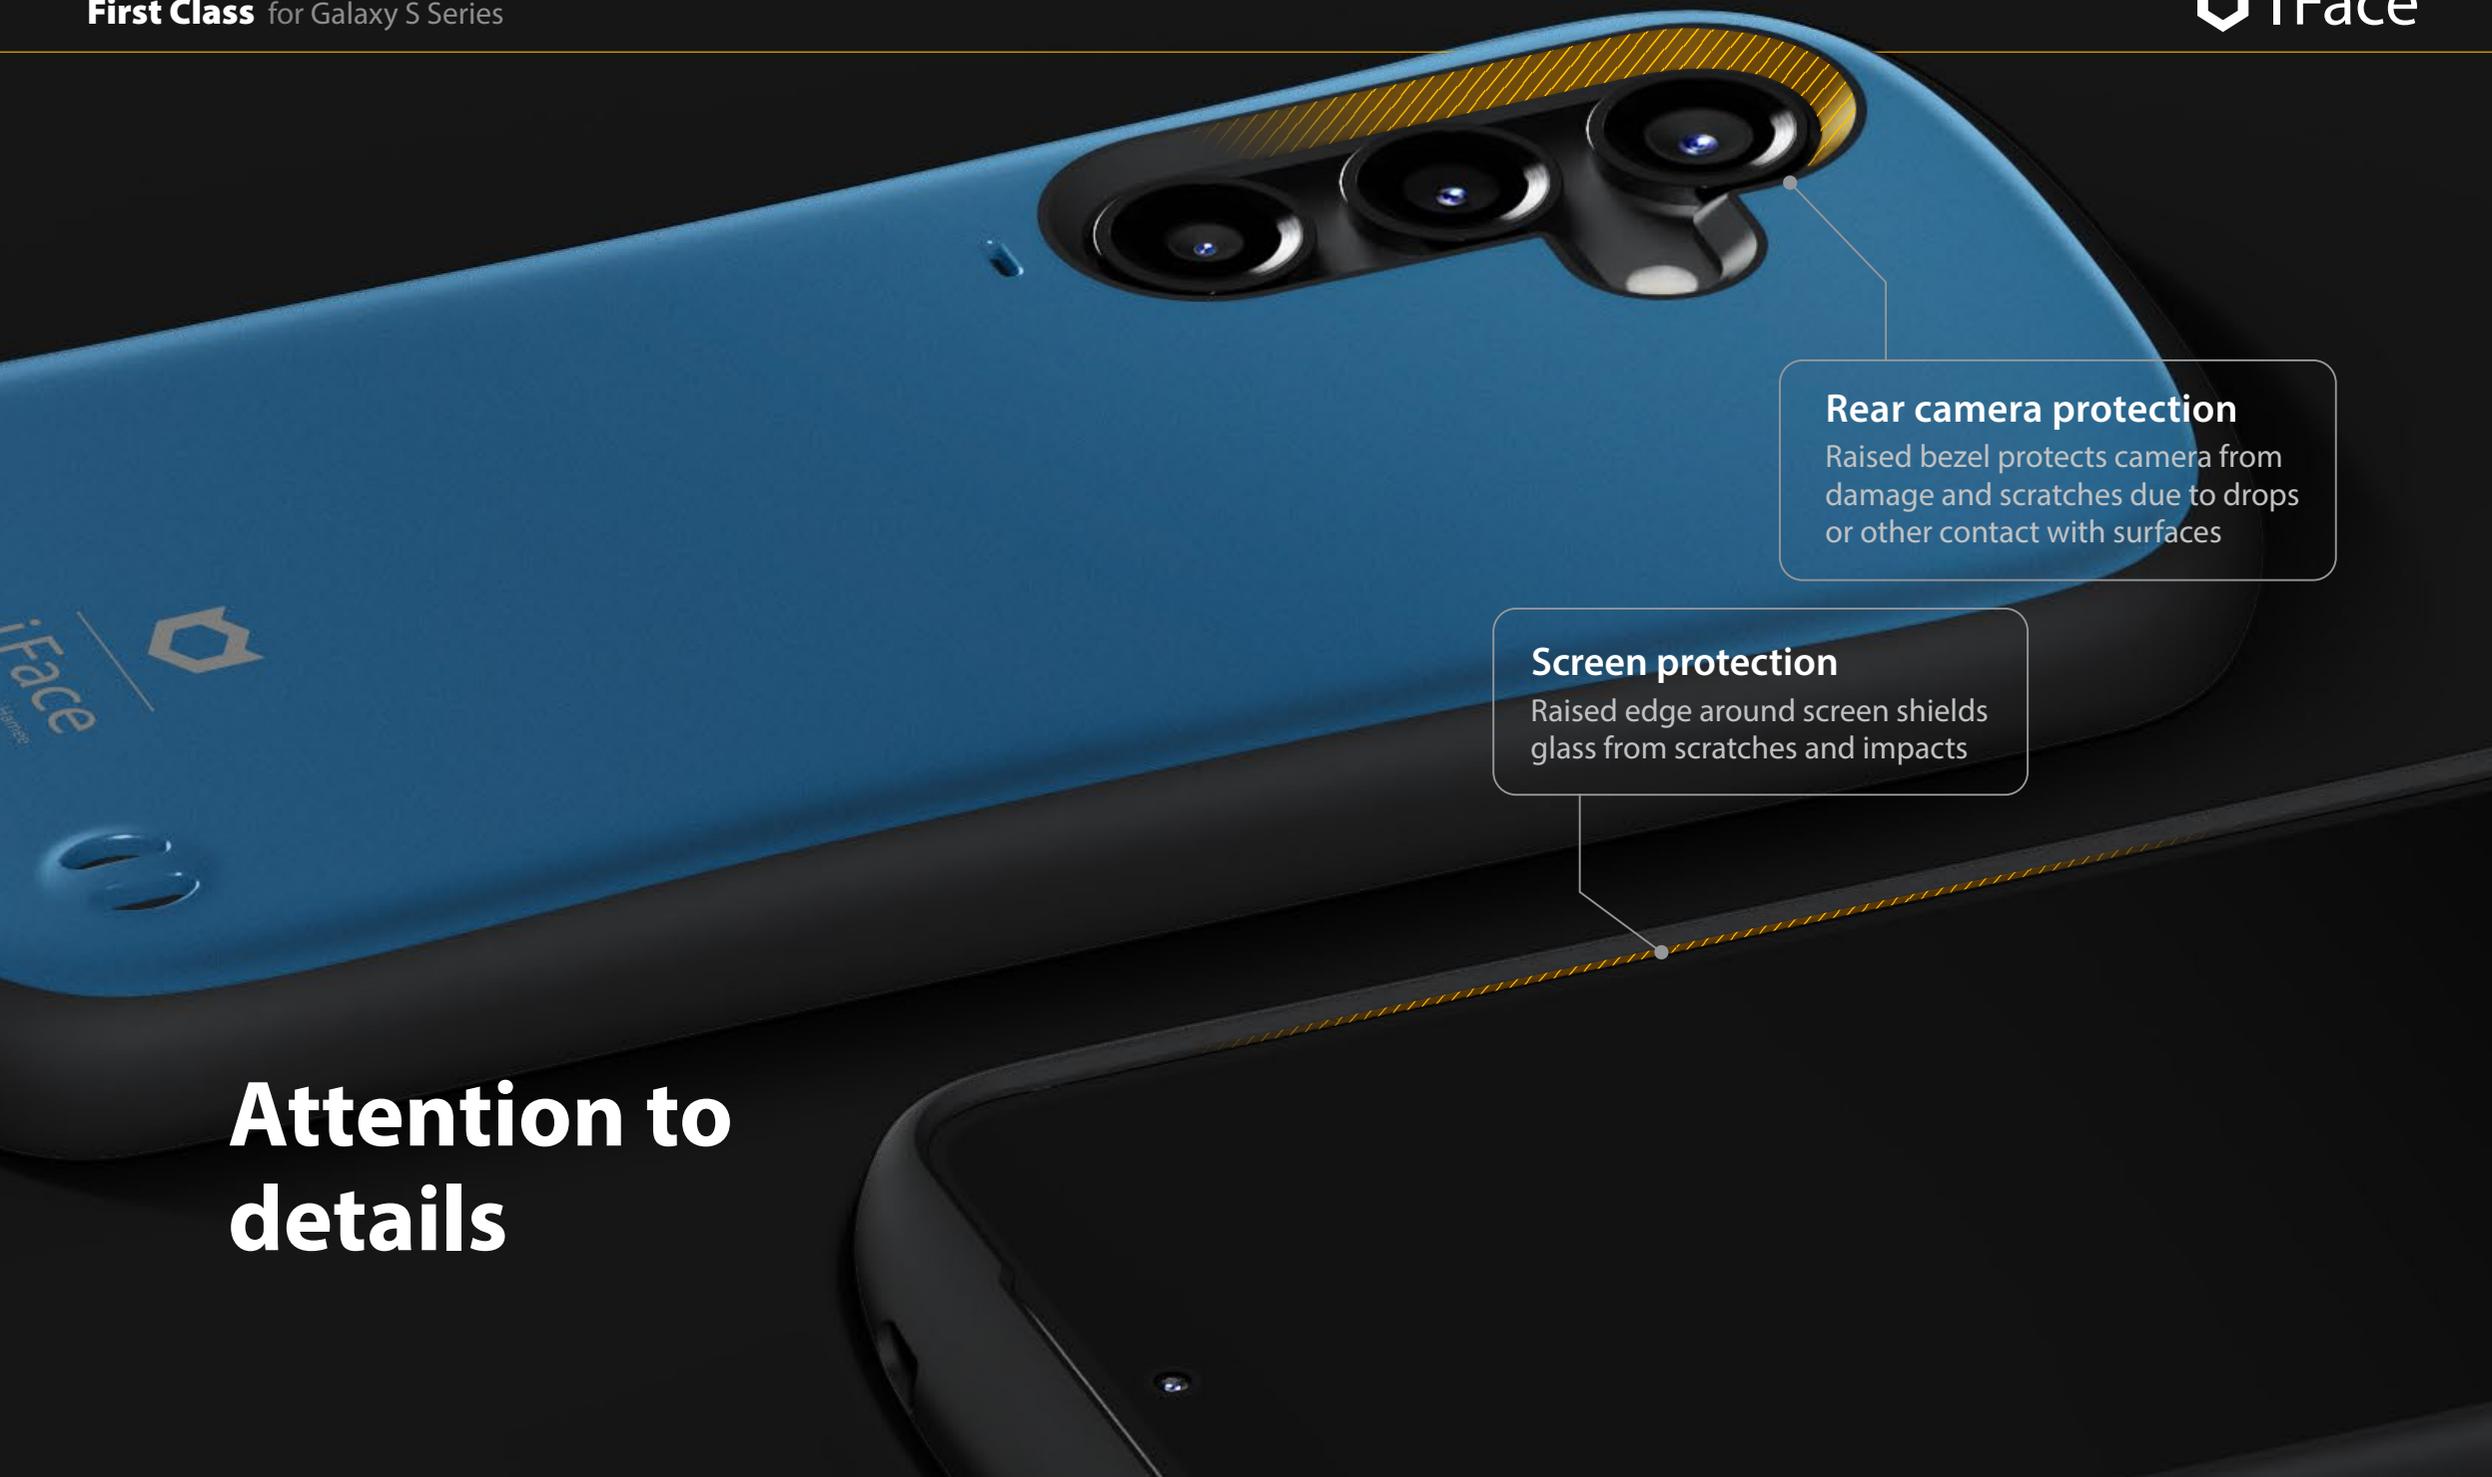

PC

Strong protection
from external shock
and scratches

TPU

Supreme shock
absorption through
excellent elasticity

Rear camera protection

Raised bezel protects camera from damage and scratches due to drops or other contact with surfaces

Screen protection

Raised edge around screen shields glass from scratches and impacts

Attention to details

No more devastating drops

We've tested our design over 26 drops from 1.22m high with no damage or abnormalities.

MIL-STD-810G Test is

passed when the device operates well without any problems after dropped 26 times at 1.2 meters height. We pass this kind of tough test and our case perfectly protects the device itself from the unexpected external shocks.

Halogen-free

All iFace products are made with halogen-free* materials so you can use them without any concerns.

***Halogen-free** products are safer, recyclable and environmentally friendly as they do not release harmful toxins in case of a fire or corrosion.

Wireless charging compatible

Easily charge your phone with the case attached and make use of NFC function anytime (like Samsung Pay).

First Class for Galaxy S Seires

 iFace

**by
your
side.**

We encourage you to take the road
you've never taken.

Try something you've never done before.

Explore the unknown daily with
the warm feeling of being safe.

We will always protect you.

We are iFace.
