# Signature Ball

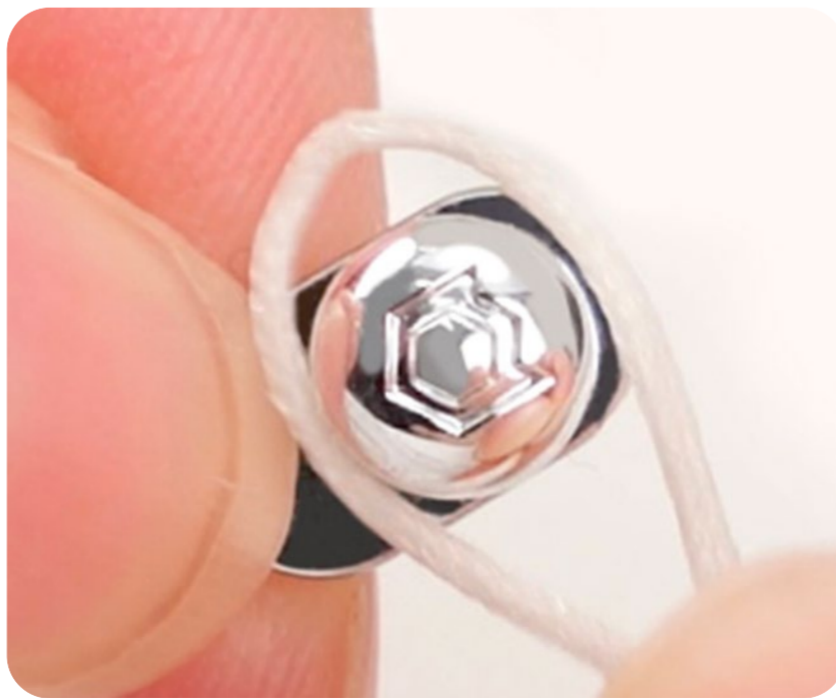

The iFace Signature Ball adds a unique design element for a striking brand identity. The functional design hole allows for attaching a hand strap or key rings.

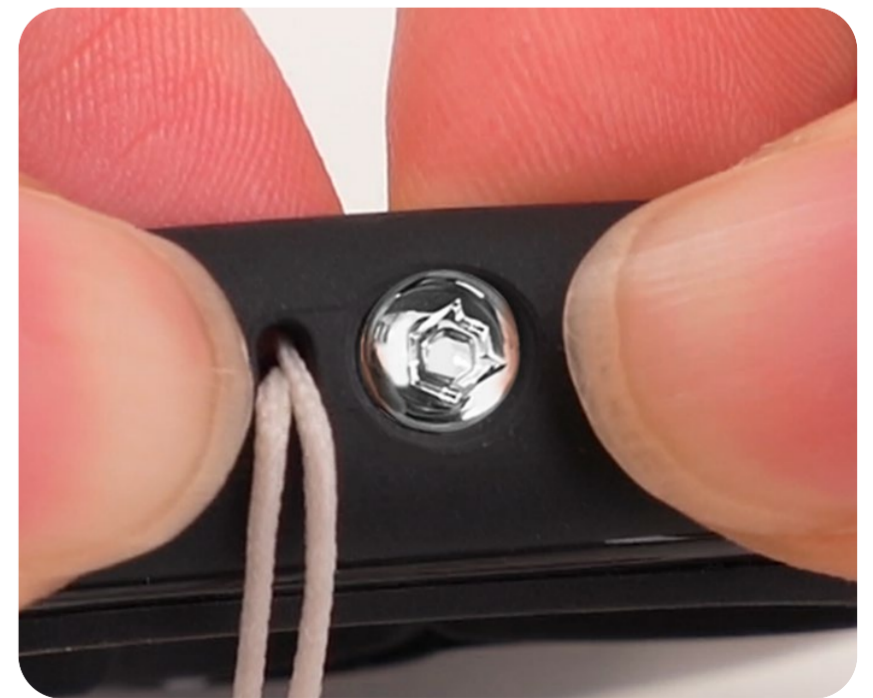

## How to attach a strap to the Signature Ball :

**1** Insert the strap string through the small strap hole on the side of the case.

**2** Hang the strap string around the neck of the Signature Ball.

**3** Insert the Signature Ball into the Signature Ball hole and gently pull the strap.
