 Based on Customer Review

Upgraded Glass!

Using iFace's exclusive technology, our flexible tempered glass is both strong and safe, ensuring flexibility and durability during installation and removal.

Increased Flexibility for Better Durability

How to use

How to assemble :

- 1 Please align the smart device with the top right corner of the case where the camera hole is.

- 2 Gently press and secure each corner in order from 1 to 4.

- 1 To remove, simultaneously press both sides from the bottom.

- 2 Safely removed!

By Your Side

We encourage you to take the road you've never taken.
Try something you've never done before.
Explore the unknown daily with the warm feeling of being safe.
We will always protect you.
We are iFace.
