Signature Ball

The iFace Signature Ball adds a unique design element for a striking brand identity. The functional design hole allows for attaching a hand strap or key rings.

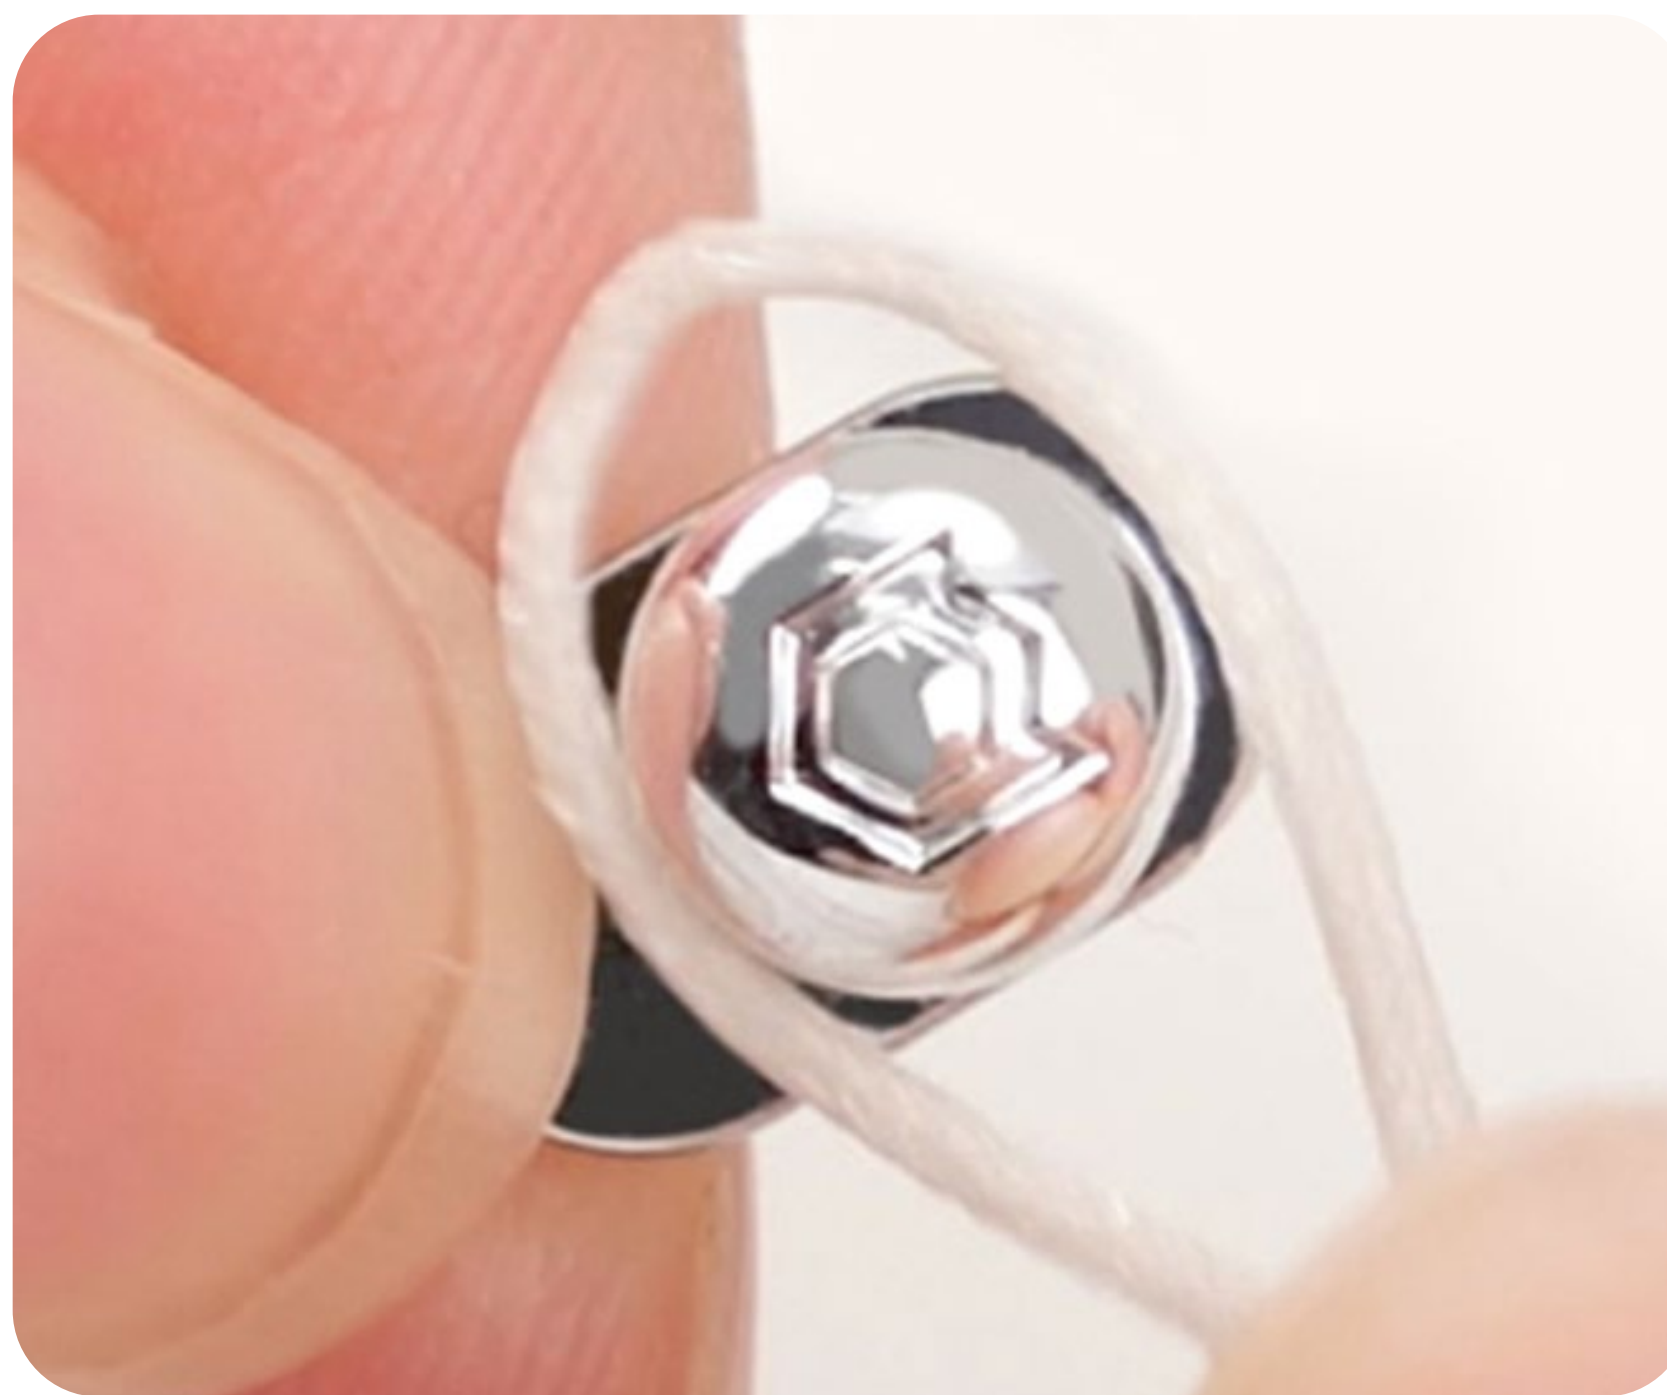

*Applicable from the iPhone 16 Series.

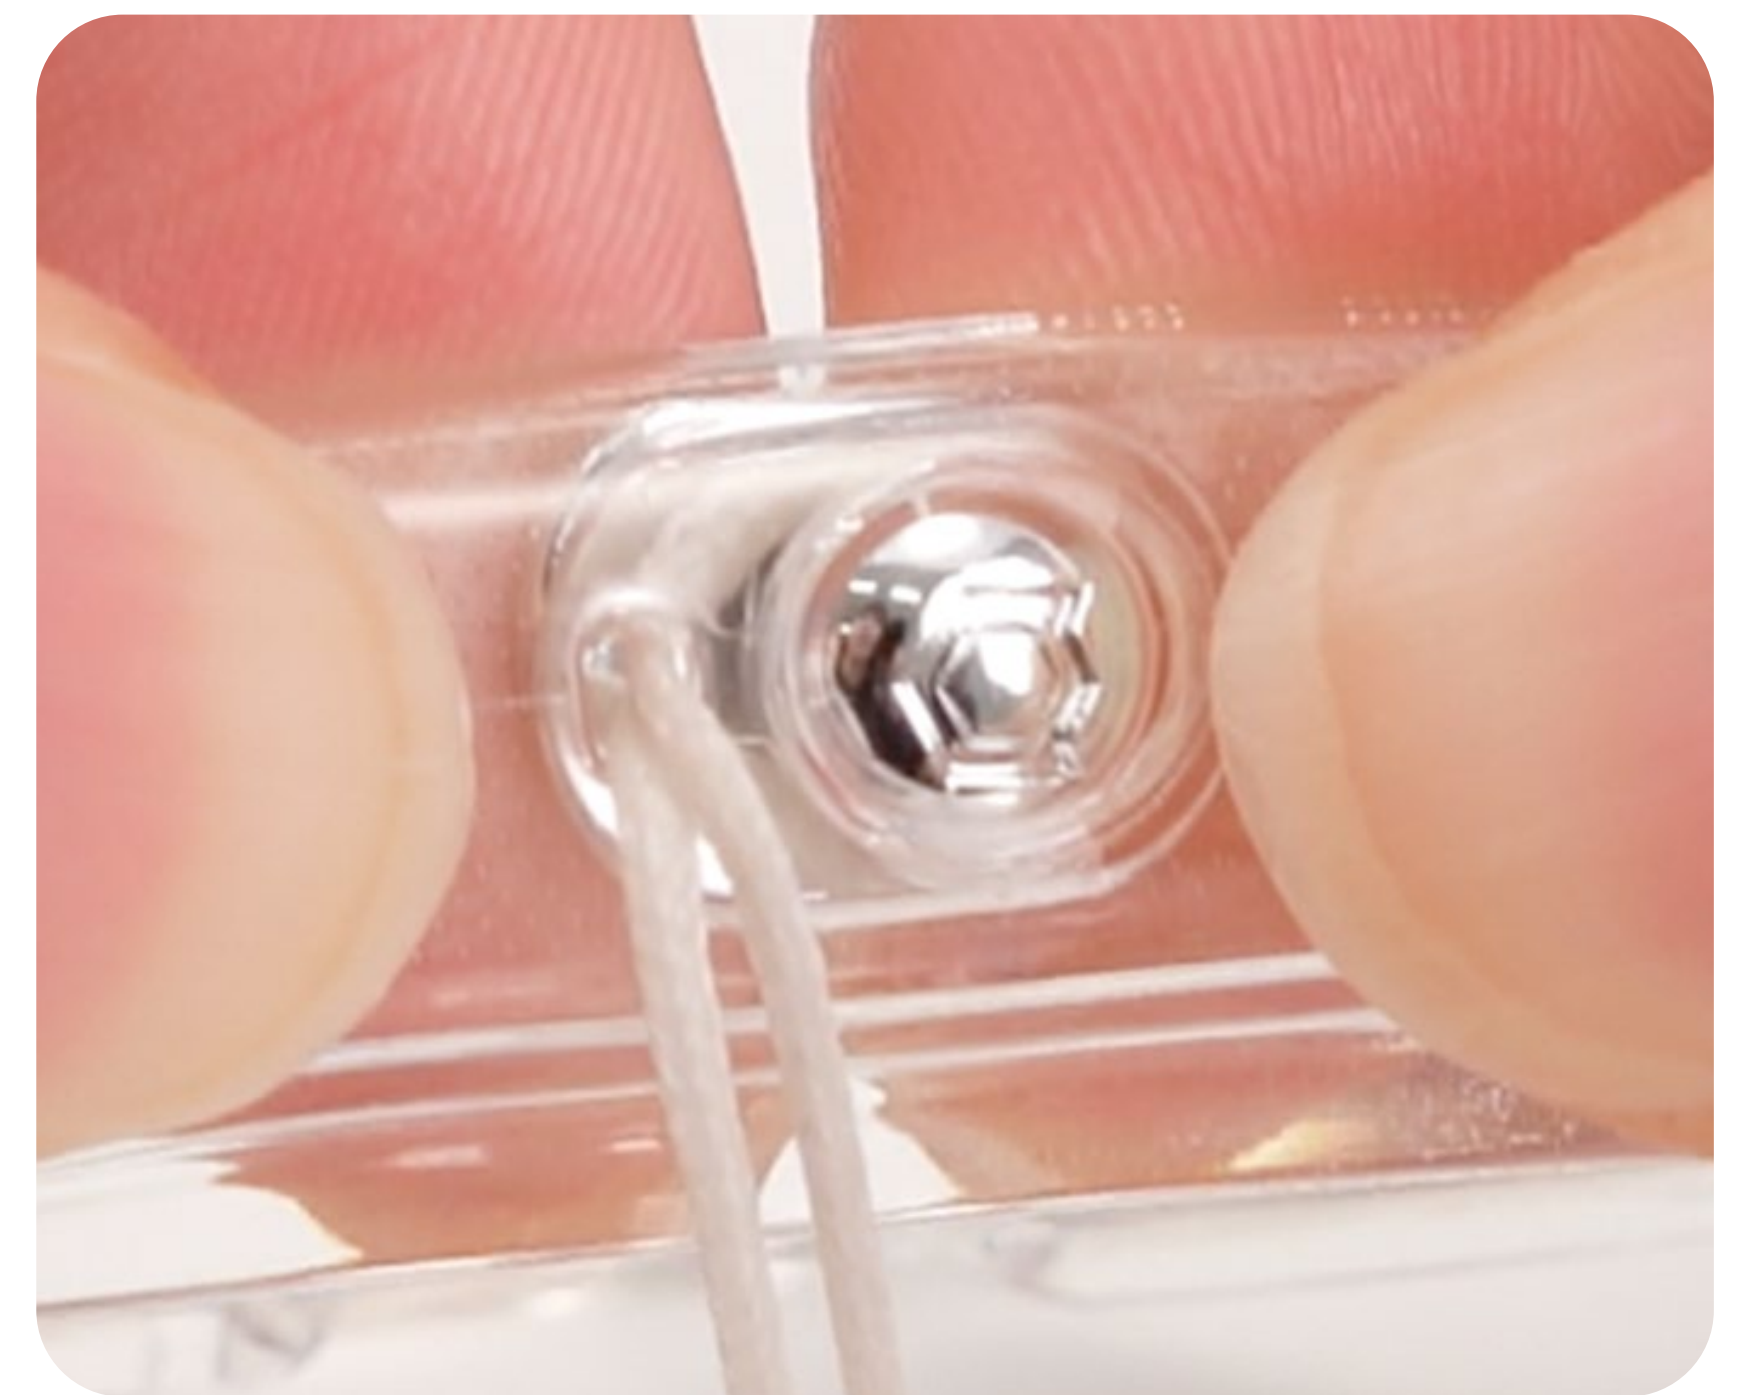

How to attach a strap to the Signature Ball :

1 Insert the strap string through the small strap hole on the side of the case.

2 Hang the strap string around the neck of the Signature Ball.

3 Insert the Signature Ball into the Signature Ball hole and gently pull the strap.
