Upgraded Glass!

Using iFace's exclusive technology, our flexible tempered glass is both strong and safe, ensuring flexibility and durability during installation and removal.

*Applicable from the iPhone 16 Series.

**Increased
Flexibility for Better
Durability**

🔧 **New! Only iFace**

Signature Ball

The iFace Signature Ball adds a unique design element for a striking brand identity. The functional design hole allows for attaching a hand strap or key rings.

*Applicable from the iPhone 16 Series.

How to attach a strap to the Signature Ball :

1 Insert the strap string through the small strap hole on the side of the case.

2 Hang the strap string around the neck of the Signature Ball.

3 Insert the Signature Ball into the Signature Ball hole and gently pull the strap.

How to use

How to assemble :

- 1 Please align the smart device with the top right corner of the case where the camera hole is.

- 2 Gently press and secure each corner in order from 1 to 4.

Separation :

- 1 To remove, simultaneously press both sides from the bottom.

- 2 Safely removed!

By Your Side

We encourage you to take the road you've never taken.
Try something you've never done before.
Explore the unknown daily with the warm feeling of being safe.
We will always protect you.
We are iFace.
