Magnetic Blocking Sheet
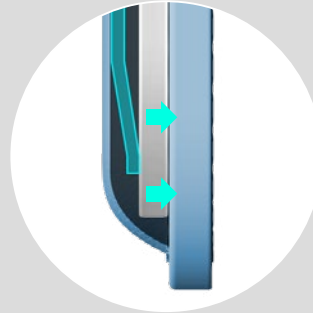

MagSafe-Compatible Magnet

Card-loss Prevention Stopper

Double protection with two magnetic blocking sheets

The Magnetic blocking sheets prevent magnetic damage and reduce the risk of skimming*-related threats.

*Threats from Skimming

refers to the act of remotely copying the magnetic strip or IC card information from credit cards, or biometric data from electronic passports

Stopper Design

The metal clip inside the wallet prevents card detachment by utilizing the leaf spring action

Rear Open Slot

A slot on the rear side allows for easy insert and removal of cards

Worry-free from Lost Card

The stopper design inside the card wallet prevents cards from easily falling out, even when turned upside down and shaken.

Reflection Magnetic

Look in Clear Hybrid Magnetic

Powerful adhesion

The built-in magnet* with powerful magnetic force provides optimal compatibility with cases where MagSafe is supported.

*Neodymium

Design to work optimally with MagSafe

Colors that Capture the Essence of Spring

Soft-textured vegan leather* with a spectrum of vibrant pastel colors.

*Vegan Leather (PU)

Made from sustainable materials that protect animal rights and the environment, this fabric is resistant to stains, easy to maintain, and characterized by its soft texture.
